# Course Information

Location:

The one day advanced mechanisms course will take place in the UKLA purpose built training centre located at the rear of

75 LECHMERE AVENUE  
WOODFORD GREEN  
ESSEX  
IG8 8QG

This is the same centre that the UKLA teaches both the locksmith course and the wireless alarms course.

Duration:

The course is a one day add on course to compliment any locksmith qualification and will run from 0830hrs till approximately 1600hrs.

Cost:

The price will be a charge of £300 (inc VAT) for non-UKLA Members and £250 (inc VAT) for current UKLA Members.

Course Criteria:

The applicant must be already qualified as a locksmith to take part in this course. The syllabus is an add-on to existing qualifications.

Included in Course:

The successful Candidate will receive a UKLA Advanced Certification in Lock Mechanisms, detailed course notes, and of course lunch and refreshments are on us!

# Course Syllabus and Itinerary
